In the year 1840, I was taken with an inflammation of the bowels, which I labored under for 6 weeks, when I gradually recovered. In the fall of 1841, I was attacked with a severe cold, which seated itself upon my lungs, and for the space of three years I was confined to my bed. I tried all kinds of medicines, and every variety of medical aid, without benefit; and thus I wearid along until the winter of 1841, when I heard of Wistar's Balsam of Wild Cherry. My friends persuaded me to give it a trial, though I had given up all hopes of recovery, and had prepared myself for the change of another world. Through their solicitation, I was induced to make use of the Genuine Wistar's Balsam of Wild Cherry The effect was truly astonishing.
